Physician Interests and Areas of Expertise - Fertility Doctors

Leadership

[Daniel Dumesic, MD](#), Division Chief and Professor, Reproductive Endocrinology and Infertility
Dr. Dumesic completed his residency in OB/GYN and fellowship in Reproductive Endocrinology and Infertility at the University of California San Francisco. His clinical and research interests include female [infertility](#), [in vitro fertilization \(IVF\)](#) and [polycystic ovary syndrome \(PCOS\)](#). Certified by the American Board of Obstetrics and Gynecology, Dr. Dumesic is a leader in several internationally-recognized organizations and has received innumerable awards, including the Mayo Award for Excellence in Leadership, and the "Star Award" for more than 10 years of contributions to research for the American Society for Reproductive Medicine. Dr. Dumesic has been named "Top Doctor" in *Southern California Top Doctors*, Castle Connolly Medical Ltd. [Publications & What's New](#) | [PCOS Clinical Study](#) » | [Support The Women's Healthcare Research Fund](#) »

[Mousa Shamonki, MD](#), Director, In Vitro Fertilization and Assisted Reproduction, Health Sciences Assistant Clinical Professor
Dr. Shamonki received his medical degree and OB/GYN residency at the University of Vermont. He completed his reproductive endocrinology and [infertility](#) fellowship at Cornell University. In 2006 Dr. Shamonki joined UCLA and, as Director of [In Vitro Fertilization](#) and [Assisted Reproduction](#), developed the [IVF Program at UCLA](#) into a center of excellence. He has published numerous papers and has won several awards, including the Carbee Award for excellence in OB/GYN, the Patients' Choice Award and America's Top Doctors Award. In his words, "I had the great fortune of growing up learning about reproductive medicine through the eyes of my father, Dr. Issa Shamonki, who was one of the pioneers in the field. I hope to continue his legacy by providing care of the highest quality, with great compassion and consideration." [Publications and What's New](#)

Division Faculty

[Kathleen Brennan, MD](#), Health Sciences Assistant Clinical Professor
Dr. Brennan obtained her medical degree from the University of Nebraska College of Medicine, where she received the Donald G. Dunlop Award for Highest Academic Performance in OB/GYN. She completed her residency in OB/GYN and her fellowship in Reproductive Endocrinology and Infertility at UCLA. A Board-Certified OB/GYN, Dr. Brennan's clinical interests include [infertility](#), [recurrent pregnancy loss](#), and [endometriosis](#), as well as endocrinologic disorders, such as [polycystic ovary syndrome](#) and hyperprolactinemia. She has published several articles in internationally recognized journals on her research interests including PCOS, Metabolic Syndrome, menopause, and diabetes. [Publications and What's New](#)
